

Supporting survivors of childhood cancer

Lizzy Davies

Childhood cancer survivor

Dr Carole Easton

Chief Executive, CLIC Sargent

Registered Charity Number: 1107328

Supporting survivors of childhood cancer

People who have childhood cancer can find that their education suffers:

- During treatment
- In transition back to school
- Through increased special educational needs

Supporting survivors of childhood cancer

Over to you...

- How can hospitals and charities work together to support schools?
- Can we reduce toxicity and limit late effects of technologies used to treat childhood cancers?
