This form is for people living in England and Wales only.  
We suggest you read it alongside our booklet, *Your life and your choices: plan ahead*.

## About this document

This document is for you to write down in advance any specific treatments that you don't want to have in the future. It will only be used if you lose the mental capacity to make decisions for yourself about your healthcare needs and are therefore unable to consent to or refuse treatment.

You must ensure that this Advance Decision to Refuse Treatment (ADRT) is up to date and replaces any previous decisions you have made.
