CANCER SUPPORT

We worked with SITA UK because they want to be a company that gives something back to the communities it serves.

'Our relationship with Macmillan has not only enabled us to do this, but, just as importantly, we have engaged and connected with our employees in a way that we never have before.'

Our Big Ride cycle relay from Aberdeen to Cornwall seemed like an unachievable challenge, but thanks to the dedication of our people and the fantastic help and support we received from Macmillan, we did it. I'm thrilled that we have managed to raise over £80,000.'

David Palmer-Jones, CEO, SITA UK
