

Silverspoons competition 2012

WE ARE  
MACMILLAN.  
CANCER SUPPORT

A black and white photograph of a hand holding a silver spoon over a bowl of green peas. The background is a dark, textured surface, possibly a tablecloth. The lighting is dramatic, highlighting the texture of the peas and the metallic sheen of the spoon.

# WE PITCH IN

Thank you for signing up to our 2012 Silverspoons competition. With your help, we can fund vital services that could mean the difference between a good day and a bad day for thousands of people affected by cancer.

With around 300,000 in the UK diagnosed with cancer every year, we aim to provide every one of them with the support that they need. By playing your Silverspoons competition you're helping us to do so.

# Let's get organised

- Encourage as many members as possible to take part. It's a chance to get the Ladies' and Men's sections of your club involved
- Choose any day up to 31 October 2012 as your competition day and put up a poster on your club notice board so everyone knows about it
- Decide what your entry fee will be. This will form the main part of your club's donation to Macmillan.
- Now all you have to do is play. But before you do, remember to put this leaflet in a safe place so you can fill in everyone's results after everyone's played
- Send in your club's donation. As soon as we've received it, we'll send you a Macmillan silver spoon which you can award to your competition winner.

# The rules of the game

- Your club can play any day of your choice up to 31 October 2012. Any members who can't play on the competition day may play another date and have their scores counted.
- The competition should be played over 18 holes in Stableford or Stroke Play format with a full handicap allowance. It can be combined with any medal, Stableford or Stroke Play round.
- Please mark the results clearly on the results card which you'll find in this leaflet and send to us by 30 November 2012
- The Men's and Ladies competitions should run separately. The clubs who return the best eight scores against par in each category will win the competition trophy

# The winning stroke

If you'd like to raise even more money for people living with cancer, just add an extra fun element to your day. Here are some ideas:

- Hold a longest drive or nearest the pin competition and ask each player to pay £1 to enter.
- Or what about a putting competition for the same fee? The person with the lowest number of putts in their round wins half the pot. And the rest? Donate it to Macmillan!
- Hold a dinner or quiz night at your club. You could add to the evening's entertainment by holding a raffle or an auction. Just ask local businesses to donate prizes.
- Ask your members whether their employers will match the amount they raise in the competition. Some companies offer matched-giving schemes.

**We'd love to hear your stories and see your photos from your day. So swing them over, along with any feedback about the event, to [golf@macmillan.org.uk](mailto:golf@macmillan.org.uk)**

## Other Macmillan events you may like to try

### The Big Golf Drive

On Friday 24 August, Macmillan are asking golf clubs and golfers across the country to club together for one day to raise money for people affected by cancer. For more information swing over to [macmillan.org.uk/golf](http://macmillan.org.uk/golf)
