

FUNDRAISING MATERIALS ORDER FORM

Promote your event

Macmillan has a number of materials that can be ordered to help you decorate and advertise your fundraising event. Although these items will be provided to you free of charge there are costs involved for Macmillan so please think carefully before ordering and only order what you need. If you are organising a particularly large-scale event please contact us on 020 7840 7887.

Create your own posters

We now have a website that enables you to design your very own Macmillan branded posters to advertise your fundraising event. Simply visit www.be.macmillan.org.uk and go to the 'create' section.
