Macmillan Fundraising Materials

To help with your fundraising we have a selection of free materials available, which are useful for telling everyone what you are doing, decorating a venue or just making your fundraising activities more 'Macmillan'.

Macmillan bunting	**Macmillan balloons**	**Cardboard collection box**	**Macmillan posters**

To make these easier to order we have come up with two handy packs, depending on the size of your event.

Pack 1- for smaller scale events such as cake sales, bbqs, car boot sales etc. These contain 15 balloons, two strips of bunting (approx six foot long), one cardboard collection box and two posters.

Pack 2 –for larger events such as quizzes, parties or balls. These contain 30 balloons, six strips of bunting, two cardboard collection boxes and six posters.

Please only order what you think you will need (although these are free to order, there are costs involved for Macmillan).

Other items free to order:

 Leaflets about Macmillan's services
Use these to explain what Macmillan does and the services we fund.
Maximum of 20 per person.

 Macmillan Collection tin
For use at supermarket collections, fundraising events or to leave in local shops during your fundraising. Please use the collection tin order form to order yours.

Create your own
To create your own posters, design your own flyers or simply to download the Macmillan logo head over to www.be.macmillan.org.uk ('make your own' section). Here you will find everything you need to make your own materials and tell everyone about your fundraising or advertise your latest event.
