

MILEMAKER - WALKING VOLUNTEER

Do you love the great outdoors, great big laughs and great times with your friends and family? Then we could have a great big opportunity just for you!!

We need enthusiastic, fun and chatty people to join us as Milemakers and volunteer at Macmillan's big walks. Not only will you have a great day out but you will be making sure our walkers are fully supported, helping them to raise thousands of pounds to support people affected by cancer in your community.

What will I be doing?

You will join walkers on the route, providing outstanding support and encouragement. You would be given one of the following roles:

- **Front Walker** - you will start the walk and lead the majority whilst setting a comfortable pace
- **Middle Walker** - offer encouragement and direction to walkers
- **Back Walker** - walking behind the last walker to ensure everyone completes the course safely, perhaps gathering any items left on the way

You may be asked to use a radio to communicate with the Course Manager and other volunteers

Why should I volunteer?

By joining our team of Milemakers, you will meet new people, learn new skills and have a fun and active memorable day out. You will have access to bespoke customer service training developed by Boots and we will provide you with a volunteer t-shirt, Milemaker pack, snacks, and refreshments on the day and a big thank you.

What skills do I need?

- An outgoing, chatty personality with great communication skills
- Energy and enthusiasm and an interest in meeting new people
- An enjoyment of walking and the outdoors
- A calm manner to respond effectively to any incidents on the day

What's the time commitment?

We will provide you with exact timings nearer to the event but since our Walking Volunteers take part in the walk, it is likely we will need your help for the whole day.

What support will I be given?

- Full details on your role prior to the event
- Regular communications in the lead up to the event
- A briefing on the morning of the event
- A contact on the day to answer any queries
