How to get there

Travelling by rail

This is the easiest way to get to the venue. Frequent services are available from London Bridge, London Victoria and the South Coast. Gatwick Express trains from London Victoria station depart every 15 minutes and the journey takes about half an hour. However a Gatwick Express ticket is more expensive than a non-express train ticket from Victoria, so please bear this in mind when booking your travel.

From the train station platform, follow signs for Gatwick South Terminal. Walk into the terminal, turn right and take the first right out of the terminal, towards the short stay car park. Follow the signs to the Hilton Gatwick. The hotel is around a 10 minute walk from the train platform, which is all undercover and wheelchair accessible.

Travelling by bus

Take the hourly Gatwick Airport London Bus run by National Express from London Victoria coach station to the South Terminal (walking directions from the South Terminal can be found above).

Travelling by car

From the M23, exit at Junction 9 and follow signs for Gatwick Airport. At the first roundabout turn left towards the South Terminal. Follow signs for the NCP short stay car park.

Car parking will be provided. Spaces will be available in the NCP short stay car park at Gatwick Airport, a very short walk from the venue. Disabled parking spaces will be available in the hotel car park. Please indicate on your booking form if you require a disabled parking space.

Travelling by air

The Gatwick Hilton is conveniently located at Gatwick Airport and connected to the South Terminal by a covered walkway (see by rail for walking directions from the South Terminal).
