

Quality care at the end of life: *Working together in the region*

The National End of Life Care Programme is hosting 4 cross regional events aimed at:

- strengthening integration of health and social care
- showcasing innovative practice in local and regional initiatives
- delivering person centred quality care
- end of life care opportunities in the new world of health and social care

We welcome all delegates from health and social care who have a passion for improving end of life care.

North of England, 20th November 2012 - The Met Hotel, Leeds

Midlands & East of England, 28th November 2012 - The Village Coventry

London, 22nd January 2013 – Holiday Inn Bloomsbury

South of England, 30th January 2013 - DeVere Grand Harbour Southampton

To receive details of how to book a place at your regional event please email David Moss:
