# ... 72 HOLES, 300 SHOTS AND ONE LONG DAY?

As someone who likes a challenge, this summer could you club together an awesome (golfing) foursome to take on **Macmillan's Longest Day Golf Challenge on Sunday 21 June?**

To conquer the course you'll need all your super skills, plus plenty of **POW** to make it through the day. And if you're good enough, you and your team could win a place at the grand final in Portugal.

Got what it takes? Accept the challenge today at **[macmillan.org.uk/longestday](http://macmillan.org.uk/longestday)** – and you'll be helping make sure no one faces cancer alone.
