The Rich Picture on People at End of Life
This is a collation of the key available evidence about the numbers, needs and experiences of people affected by cancer at the end of life. It provides insight into the lives of people at the end of life and includes evidence to support campaigning, negotiations with partners and engaging with supporters.

**Your Life and Your Choices: Plan Ahead**
This booklet explains how you can plan ahead for your future care. It discusses creating a Lasting Power of Attorney, writing down how you’d like to be cared for using a Preferred Priorities for Care document and writing Advance Decisions to refuse treatment. It also has information about making a will, organ and tissue donation, and funeral planning.

**Find Me Help**
Find Me Help has been developed with the input of people with life limiting conditions. The Find Me Help website is the UK’s most comprehensive directory of services for people in the last years of life, their families, carers and friends.

**After someone dies: coping with bereavement**
This booklet is for the relatives and friends of anyone who has died from cancer. It gives you some practical information about what to do and what to expect when someone dies. It also looks at some of the emotions you may have, and the support that can help.

Macmillan Cancer Support have won the BMA Patient Information Awards first prize for this booklet, in the ‘Information on Ethical Issues’ category.
