LIVING WITH CANCER IN FIFE?

The Improving the Cancer Journey service is here for you.
Cancer doesn’t just affect your physical wellbeing, it can impact on every aspect of your life and the lives of those around you. But knowing where to turn for support isn’t always easy.

If you are living in Fife and have been affected by cancer, our Improving the Cancer Journey service is here to help you live as well as possible. We can meet with you to discuss your needs and help you access tailored information and support. You can talk to us about how you feel, get help with money and housing worries or help at home – whatever matters most to you.

We will also be able to give you details of organisations who can provide support, or contact them on your behalf.

To get in touch with us or find out more about how we can help, contact 01592 578076 or Improving.CancerJourney@fife.gov.uk

We also provide support for family members and carers.
