# Power us to golfing glory.

Team Name

Longest Day Golf Challenge is like one of golf's majors, but with a very big twist. While pros settle into the clubhouse after completing just 18 holes in a day, we're asking your team of four to go even further for people living with cancer. Here's why:

In 2023, we estimate that approximately **2.3 million** people were reached by our services.

Approximately **943,000** people received 'person to person' support from one or more of our Macmillan Professionals.

Around **110,000** people were supported by the Macmillan Support Line responding to calls, emails and web enquiries.

**3,581** people living with cancer were supported by Macmillan Buddies.

When you're affected by cancer, having the right kind of information and support at the right time is essential. That's what Macmillan provides. We offer up-to-date cancer information to help people make informed choices about their treatment and care, and to take away some of the fear. We offer practical advice and solutions for the everyday problems that can arise from living with cancer. We also offer vital emotional support – somewhere to turn when people affected by cancer need to chat or share their experiences. This year, we also need to do what it takes to help people with cancer who are hardest hit by the cost-of-living crisis.

Please give what you can to help Macmillan support more people with cancer. To donate online or find out more, go to our team page:
