

Support Grant Terms & Conditions

Key terms used in these Grant Conditions can be found in the Definitions section at the end of this document. “Macmillan”, “we” or “us” means Macmillan Cancer Support and “you” means the community organisation set out in the Award Letter.

1. The amount of your Support Grant is as set out in your application form. It can only be used for the activities listed in your approved application form (referred to as the “**Activity**”).
2. To receive the Support Grant, you must have a bank or building society account in the name of your group/service/organisation. Alternatively, you may appoint a host organisation to hold the funds on your behalf. To appoint a host organisation, you must sign a separate agreement with both us and the host organisation in a form provided by us.

Payments

3. Any Support Grant awarded by us will be paid in advance and must be spent on the Activity within 12 months of the Award Date.

Confirmation of Spend and Evaluation Form

4. You must provide us with evidence of how the funds were spent on the Activity, including uploading copies of original receipts and completing the Confirmation of Spend and Evaluation Form on Macmillan’s online portal within 2 months of the Activity taking place (eg within 14 months of the Award Date). Failure to do this may result in us taking action to recover the Support Grant from you and may prevent you from receiving a future Support Grant or other award from us.

Unspent Support Grant

5. If the Support Grant or any part of it has not been spent by you on the Activity in accordance with the Award within 12 months of the Award Date, then you must return such amount to us within 2 months with an explanation for the underspend. If any amount not spent on the Activity in accordance with the Award is not returned to us in accordance with this Clause 6, then we may take appropriate action against you to recover such unspent amount.

Accounts and Records

6. You must keep separate, detailed and up to date accounts, records and documents evidencing all expenditure and original receipts relating to the Support Grant and the Activity for a period of 7 years from the Award Date.

Audit and Inspection

7. We, and our authorised representative(s) will be entitled to visit you at your premises at any time to inspect and audit all Support Grant and Activity related accounts, records and documents and to ensure that the Activity is being carried out in accordance with the Award. You agree to provide us and our authorised representative(s) with any information relating to the Support Grant and the Activity that we may reasonably require for us to conduct such audit and inspection. We will have the rights to take copies of any accounts, records and documents you provide to us.
8. We may decide at our discretion to appoint an external independent investigator or expert to inspect or audit your accounts, records, documents and activities relating to the Support Grant and the Activity. You agree to promptly: (a) reimburse us for all costs and expenses incurred by us in connection with such audit or inspection; and (b) repay us for any amount not spent on the Activity in accordance with the Award which is identified as part of such audit or inspection. Our rights under Clauses 8 and 9 will continue for a period of 7 years from the Award Date.

Repayment of the Support Grant

9. If the Support Grant is used for anything other than the Activity, we will require you to repay some or all of the Support Grant and you may be ineligible to apply for or receive other Macmillan grant(s) or award in the future.

Funding from other Organisations

10. If you wish to receive funding or support for the same Activity from another organisation, then you must first get our consent (which we will not unreasonably withhold). However, we may withdraw our Support Grant offer, or request repayment of any unspent funds if you receive funding from another organisation for the entire cost of the same Activity.
