Your Gift Aid declaration

If I have ticked the box headed 'Gift Aid (please tick)', I confirm that I am a UK income of Capital Gains taxpayer. I have read this statement and want Macmillan Cancer Support to reclaim tax on the donations detailed on this form, given on the date shown. I understand that if I pay less income Tax of Capital Gains tax in the current tax year than the amount of Gift Aid claimed on all of my donations it is my responsibility to pay any difference. I understand the charity will reclaim 25p of tax on every £1 that I have given.

How to claim

Gift Aid

Great news - If you pay tax in the UK, you can Gift Aid your donation. Just make sure to ask each sponsor to fill in their details in their own writing – otherwise we can't claim Gift Aid.

1. Write your full name

The form must be clearly completed in your own handwriting.

2. Fill in your home address

Please do not include your work address as HMRC need to know where you live to claim Gift Aid.

3. Avoid ditto marks

Unfortunately, we can't claim Gift Aid if you use ditto marks (") on the form.

4. Write down your donation

The most important bit — how much would you like to give to Macmillan?

5. Tick the Gift Aid box

If you pay tax in the UK, and the three statements below are true, then you're good to go!

- This donation is my own money. It hasn't come from anyone else or a collection.
- This donation is voluntary.
- I'm not in with a chance to win a prize with this donation e.g. raffle, sweepstake.
