STRENGTH WORKSHOP

December 8th 13:30-14:30: Neck & shoulders

Anxiety and tension tends to nest in our neck and shoulders leading to stiffness, headaches and other problems. The workshop seeks to bring your awareness to this area of your body and explore ways in which you can reduce any tendency to carry this tension in our upper body. It will also look at the ways we tend to put undue strain on our shoulders when carrying heavy weights and explore the ways to counteract this.

If you would like more information or to book into the session please contact the Horizon Centre

Art for Wellbeing Sessions

Come and join our art group and experience the relaxing power of drawing and painting from nature plants, seed pods, animals, landscape and even the weather!
