

Key questions for Macmillan GPs and PCCLs

Questions – new commissioning arrangements	For
1. Do you know which GP Consortia you will belong to locally?	All
2. Are you aware of specific shadow or pathfinder GP Consortia forming in your area?	
3. If yes, are you personally involved with the new organisation?	
4. Can you advise on how the new organization has been formed (e.g. previous Practice-based commissioning group, previous PCT directorate etc)?	
5. Size of population covered and number of GPs involved?	
6. Do you know any of the local GP leaders within the organization?	
7. Are they involved (or intend to be involved) as part of the DH Consortia pathfinder programme?	
8. Do you have any insights as to how cancer and / or EOLC is likely to be commissioned within your area under the new arrangements? <ul style="list-style-type: none"> • e.g. directly by your local Consortia? • As part of a cluster (any info on how clusters will look?) • Commissioned by care pathways? • Commissioned by domains of the NHS outcomes framework? 	
9. In your view, are there major challenges or opportunities for commissioning cancer services that you think Macmillan should be aware of?	

Questions – your current cancer role	For
<p>1. From the Macmillan GP role spec, can you advise which of these areas you are currently involved in locally (please choose as many as are relevant)?</p> <p>a) Influencing development and/or commissioning of cancer services b) Primary care leadership (e.g. informing and influencing delivery of cancer care and influencing local GP peers) c) Enabling / facilitating education of local GPs and wider healthcare teams d) Service redesign (e.g. facilitating integration of care pathways and compliance with guidance etc) e) Communication (enhancing communication between care sectors)</p>	Mac GPs
<p>2. Other specific local interests in your cancer role?</p>	
<p>3. Please describe what you are doing locally in your cancer specific role?</p>	PCCLs
<p>4. a) How many sessions a week do you commit to your cancer specific role?</p> <p>b) How many sessions a week do you commit to your EoL</p>	All
<p>5. Who currently funds your cancer specific role and when will your current funding run out?</p> <ul style="list-style-type: none"> • Funding org: • Funding end period: • Macmillan pump-primed? 	All All Mac GPs
<p>6. How do you see your role developing in relation to commissioning?</p>	
<p>7. Would you be interested in retaining an interest in how cancer and / or end-of-life care is commissioned under the new GP consortia commissioning?</p> <ul style="list-style-type: none"> • Yes – both • Cancer only • EOLC only • Neither
