Palliative care Out of Hours training for GP ST3 trainees

Dr Jemma Cooper & Dr Susanna Hill, Macmillan GPs, Devon

Setting the scene...

- 14th March 2013, Rougement Hotel, Exeter
- 20 ST3 GP trainees from South West Peninsula Deanery
- Two facilitators: Dr Susanna Hill & Dr Jemma Cooper (Macmillan GPs for NEW Devon CCG)

Content

'Bridging the Gap' presentation - how to use available tools to improve care Out of Hours

- Gold Standards Framework
- Advance Care Planning - using Devon ACP booklet
- Devon Treatment Escalation Plan and Resuscitation Decision Record
- Electronic Palliative Care Coordination System (EPACCS)
- Just In Case bags
- Integrated Care for the Dying Pathway

Examples of how to use the tools were given using case studies, as well as an interactive symptom control quiz.

Feedback from participants

- Really useful teaching session
- Should be considered as teaching for deanery day
- Excellent content and delivery
- Very useful information and practical tips for managing a crisis
- Excellent presentation
- Most useful to have OOH contacts list
- Really useful list of contacts/drug conversion. Good signposting to end of life care documents.
- TEP and JIC are fab, but I already knew about them. The MCQ quiz was really interesting and useful!
- Great overview of OOH palliative care. Very useful coverage of TEP & ACP. Useful review of drugs & great to discuss cases.
