

YOUNG CARERS PHOTOGRAPHY COMPETITION

Richard McCourt, best known as Dick of Dick and Dom fame says:

"I know from my own experience of caring for a family member just how tough it can be. When you're a young carer it's really important to cut loose and have fun, just like your mates, but so much harder to do. That's why I'm calling for as many young carers to get involved with Zoom and get trigger happy with a camera!"
