

All Party Parliamentary Group on Cancer

September 2013

Dear Tanya,

Welcome to the All Party Parliamentary Group on Cancer's (APPGC) new look newsletter.

Read on for news of our major event, the Britain Against Cancer conference. And find out more about our Cancer Across the Domains project.

Britain Against Cancer conference 2013 - registration open

We are delighted to invite you to join the cancer community at Britain Against Cancer (BAC) to help shape cancer policy in the UK. BAC offers a unique opportunity to network with patients, clinicians and policy makers and debate some of the key issues in UK health policy. The conference will take place on **Tuesday 10 December at Westminster Central Hall, London.**

Secretary of State for Health Jeremy Hunt MP, and Shadow Secretary of State Andy Burnham MP will address the conference, and the APPGC will be launching a flagship report about cancer in the new NHS. To register for this year's conference please visit the [BAC website](#). If you have any queries please do not hesitate to contact the BAC team via BAC@macmillan.org.uk

Cancer Across the Domains

This year the APPGC has focused its work on NHS England, the new body responsible for overseeing NHS services. We want to ensure that NHS England is equipped to deliver high quality cancer services.

As such, after a public consultation and a number of events in Parliament we will be publishing a major new report, with recommendations for NHS England, at the Britain Against Cancer conference.

For more information on our Cancer Across the Domains project visit the [APPG website](#), or contact Tim Windle at Macmillan Cancer Support, via TWindle@macmillan.org.uk
