We raised for Macmillan

Dear

I'm thrilled to announce that, together, we raised a quite unbelievable amount for Macmillan Cancer Support through our Dress Up and Dance event.

All the children looked fantastic and really got into the spirit of the event. Thank you so much for your support. We couldn't have done it without you.

There are 1,500 children diagnosed with cancer every year in the UK, so the money you helped us raise really will make a huge difference to them and their families.

No one should face cancer alone. Thanks to you, Macmillan will now be able to provide even more practical, medical and financial support for people living with, and affected by, cancer.

Thank you once again.

Yours sincerely,

PS Macmillan is here for you too. If you have any questions about cancer or would just like to chat, give them a call, free, on **0808 808 00 00** (Mon–Friday, 9am–8pm) or visit **macmillan.org.uk**
