2. Payment Options & Fundraising

- (a) There are two payment options for this challenge:

Payment Option 1

You will pay the full event cost of the challenge yourself which is £99 (non-refundable). You will commit to raising as much sponsorship as possible for your chosen charity, but there is no minimum requirement. The £99 event cost is non-refundable and non-transferable. Your chosen charity will be provided with your personal details and made aware you are fundraising in their name.

Payment Option 2

You will pay a registration fee of £39 yourself and commit to raising a minimum amount of sponsorship in aid of one of the charities listed on the Nightrider website. The £39 registration fee is non-refundable and non-transferable. The minimum sponsorship is stated on the Nightrider website for each charity, the approximate amount is likely to be £175. This way your charity retains around 65% of the money you raise as £60 will be used by the charity to pay the balance of your event cost (which is £99 in total). Your chosen charity will need to receive 100% of your minimum sponsorship 4 weeks prior to the event. Until your charity receives 100% of the minimum sponsorship your place on the challenge is not confirmed. If you are unable to meet the sponsorship money requirements, you will forfeit your place. However, you may choose to make up the balance yourself. If your charity has not heard from you and you have not paid in any funds by 4 weeks prior to the event your place on Nightrider will be at risk and may be cancelled. Please ensure you communicate with your charity prior to this time.

- (b) You must notify your chosen charity that you will be participating in this challenge, raising funds in their name and discuss your payment option with them. Classic Tours reserves the right to withdraw your place on the challenge if you are unable to provide written confirmation of this. The charity may require you to sign their terms and conditions.
- (c) All funds raised in connection to this challenge should be paid directly to your chosen charity.
- (d) When fundraising you must make clear to donors what proportion of funds raised are going to the charity and how much towards costs. Should you have to withdraw, all sponsor forms and monies should be forwarded to the charity or returned to the sponsors.
