We recommend that you do not take part in the event if you have received medical advice not to take exercise.

We take all reasonable steps to minimise the risk of injury to participants during our fundraising events. There is a risk assessment process in place for each and every Macmillan Committee organised walking event which aims to minimise or eliminate the risk to everyone taking part. However, by taking part in this event, you acknowledge that there may be conditions or circumstances beyond our control that can lead to unforeseen risks. If you have any concerns or queries please contact us before agreeing to take part in this event. Please be aware that the event risk assessment is measured on the basis that **Rhondda Walk** is a non-competitive walking event and we request that no participants jog or run at the event.

For health and safety reasons participants arriving late must abide by the instructions and decisions of the Event Organisers or their representatives at the walk starting area.

FUNDRAISING MONIES

All monies that you raise in connection with the **Rhondda Walk** will be held on trust for us and therefore must be passed to us. We ask that you do this as soon as practicable after the event.

This year we are walking to help Macmillan build the new Y Bwthyn Specialist Palliative Care Unit at the Royal Glamorgan Hospital, Llantrisant. The build will cost £7m and Macmillan is contributing £5m – this is our single biggest investment in Wales.

There's a small chance we'll raise more than we need for this project. If this happens, or in the very unlikely event that the project does not proceed, then your gift will be used to provide much needed help and support to people affected by cancer in the Rhondda Cynon Taf area
