I’d like to do the event with family, friends or work colleagues. Can we sign up as a team?

Yes, you can sign up a team. Below you will find more details on how to do this.

Is there a discount for teams?

There is a discount available for teams of 5 or more. The discount code will appear on the registration form when the Team Captain registers all members of the team and needs to be entered in the promotional code box before proceeding to payment.

Do we all need to raise the minimum fundraising amount?

Yes, you will need to raise the minimum fundraising amount of £250 for each member of your team. You can, however, choose to split the total in any way you like between the team if some people are comfortable raising more than others.

How do we register?

1. Appoint a Team Captain who will complete the first online registration.

   *N.B. the Team Captain will receive essential information about your team registration so must be someone who can easily access their emails and is happy to coordinate the team.*

2. Make sure the Team Captain has a list of all the names and email addresses of the people in the team. Once the Team Captain has completed the first online registration, each team member will receive an invitation email to complete their own online registration.

3. On the booking form, the Team Captain can pay the registration fee for as many members of the team as they like or just themselves. If the Team Captain doesn’t pay your registration fee you will be asked to pay this when you complete your own registration form.

4. On the booking form, the Team Captain will choose the start time for the whole team. Make sure you discuss this beforehand and consider the walking pace of entire group. See Event FAQs for more details on timings.

5. The Team Captain will also choose their parking and shuttle arrangements; however, this does not apply to the whole team. Each team member will be asked to choose their personal parking and shuttle arrangements upon registration.
6. Once the Team Captain has completed the team registration, all members of the team will receive an invitation email with a link to their own registration form.

7. Please complete your registration and booking form as soon as possible. We will hold your team start time but parking is allocated on a first-come first-served basis.

8. The Team Captain will receive a confirmation email each time a member of the team completes their registration, which will allow you to monitor who has and has not joined the team.

What is the minimum age to take part?
The minimum age to take part in this event is 18, however children aged between 14 – 17 can still take part as long as they’re accompanied by an adult who is 18 or over. The accompanying adult must complete their registration first and will be asked to sign a parental consent form.

Children under 18 cannot be a Team Captain.
Children aged 13 and under cannot take part.

How long do team members have to complete the registration and booking form?
The final deadline to register and complete the booking form is two weeks before the event. If you do not register before this date you will lose your place, even if the Team Captain has paid your registration fee.

The start time chosen by the Team Captain will be held but each team member must book their own parking and shuttle arrangements, and these are allocated on a first-come first-served basis. We recommend completing both forms as soon as possible.

One of the email addresses for the team was entered incorrectly. What should we do?
Either the Team Captain or the team member needs to email us with their correct email address. We will then re-send that individual their invitation, so they can complete their registration.

Can I add more members to my team after registration?
Yes. The Team Captain will receive a unique registration link in their confirmation email when they complete the team registration, which they can forward on to any new individual who wants to join the team. Please note that the team start time may not be available if all places have been filled, and they will still need to book their personal parking and shuttle arrangements.

Can we change our team name after we’ve registered?
Unfortunately we cannot edit your team name once it has been submitted by the Team Captain.
Someone in the team can no longer do the event. What can we do?
The individual who can no longer take part must email us to let us know if they can no longer take part. We have to confirm final numbers two weeks before the event takes place so please let us know no later than this to avoid unnecessary costs spent on unused places.

Can we transfer to another Mighty Hike event?
Yes, you can transfer your team or an individual to another Mighty Hike event or day if there are enough spaces available. You will need to email us and include the event you’re currently doing, and the event you’d like to transfer on to. Please note, transfers cannot be made less than two weeks prior to the event.

If you want to transfer onto the Rob Roy Mighty Hike, please also specify whether you want to take part on Saturday or Sunday.

Can we transfer a place to another person?
Yes, you can transfer your place and registration fee to someone else. The individual not taking part will need to email us and give us the name and email of their replacement to send a transfer registration form. Please note, transfers cannot be made less than two weeks prior to the event.

Can we get a refund of the registration fee if anyone cancels?
Unfortunately, the registration fee is non-refundable under any circumstances. However, if you transfer your place to someone else at least two weeks before the event your registration fee can be transferred as well.

Can we transfer our fundraising to another Mighty Hike event if we cancel?
If your team transfers onto another Mighty Hike event within the same year, then please email us and we can arrange for your sponsorship to be transferred. However if the team or someone in the team has to cancel and decides to sign up for a Mighty Hike event in future, we unfortunately cannot move your sponsorship to the following year. The same applies to the registration fee.

Can we defer places to next year?
Unfortunately we cannot defer any places to next year. As our Mighty Hike locations can be susceptible to change we cannot offer this as an option.
