

MIGHTY HIKE HOW TO DOWNLOAD YOUR PHOTOS

Below you will find instructions on how to download your free Pic2Go photos from your Mighty Hike. There is also the option to purchase your photos at a higher resolution if you wish to do so.

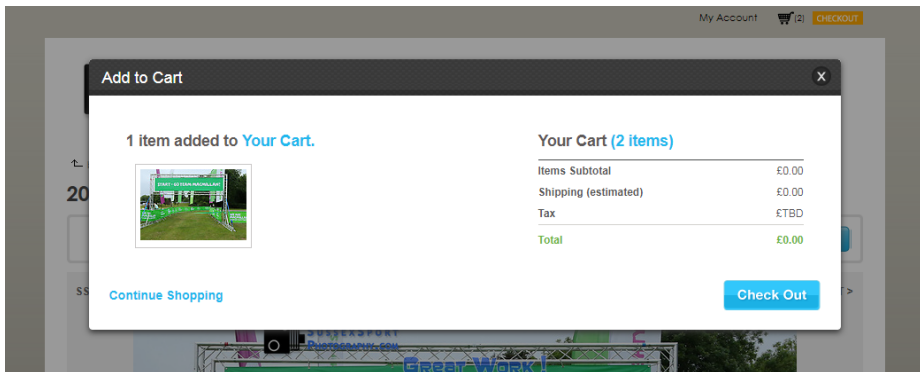

1. Click on the link in your email which will take you to your Mighty Hike photo gallery.
2. Find photos of you by typing your bib number into the Search galleries box.
3. Click on the photo you would like to download and click Add to Basket.

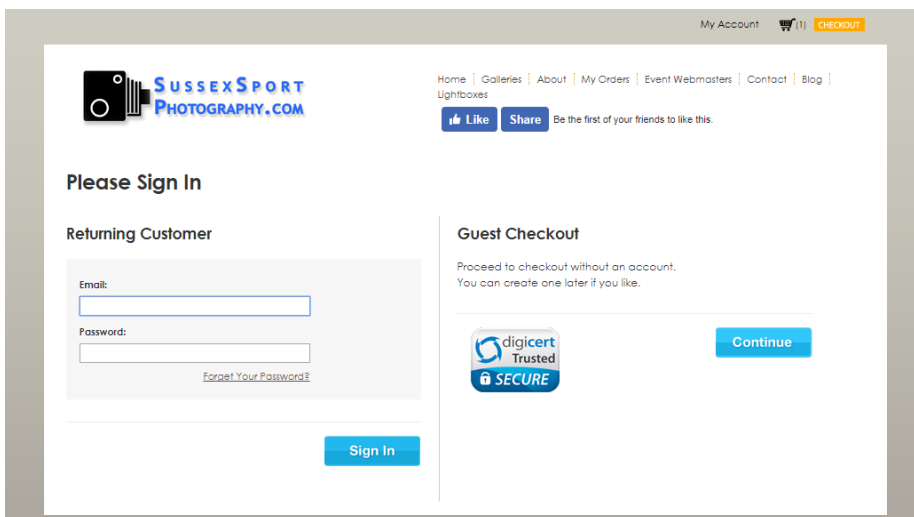

4. Click on Downloads so it is highlighted yellow, and then select the free Web – Large (1000 pixels) option. Click Add to Cart.

5. Click Continue Shopping to add more photos to your cart, or if you're finished click on Checkout.

6. You can choose to create an account or choose to do Guest Checkout.

7. Fill in your details and click Continue. You will then be asked to review your order before you complete your purchase.

8. Once you've completed your purchase, you will be sent an email from PhotoShelter with a link to download your photos. Make sure to check your junk mail in case the email ends up in there.

9. You have 10 days after you've received the email to download your photos. But don't worry if you forget – just reorder your photos again using these steps.

Don't forget – the few weeks following your event are a fantastic time to get some more donations. Share your photos on social media or email them round with a link to your JustGiving page, and inspire people with your amazing achievement!
